Ron Edelman from Triple Oaks Subdivision addressed the Board regarding his friends, the Lawnicki family. They're requesting that a plaque be attached to their street sign saying "In Memory of Scott Lawnicki". The Father, Ted Lawnicki, also spoke about his son who had tragically passed away at the age of 24. They were told that the Township would need to approve this as all signs need to conform to county statutes. They've been trying to contact Road Commissioner Schultz but have not heard back from him. The Supervisor stated that she will contact the Road Commissioner and give him this information. The Trustees were very supportive of the family's efforts and are urging the Road Commissioner to respond regarding the legalities for the plaque.

BANKING CHANGES AND CHARGES—Supervisor Sanders then explained that BMO Harris Bank will now be handling the Town banking from Illinois Funds due to new charges by US Bank. Discussion then followed with

Trustee Payson and the Supervisor on combining certain accounts. Trustee Payson stated that he thinks the General Assistance account should be kept separate from the insurance account but doesn't have any problem combining Building and Grounds with the General Fund. The banking changes will go into affect February 12,2016 and we can no longer write any more checks on US Bank.

REPORTS BY OFFICIALS-Trustee Eaton then explained the bills for his trip to Springfield for the TOI seminar. \$400.00 has already been paid on this and he's now asking for an additional \$300.00 plus. Trustees Schuldt and Payson don't feel that the Township should pay these bills due to lack of Board approval prior to the trip. The Supervisor feels that all elected officials could benefit from these seminars and that she will make out the check for this next month and the Board can either approve it or not. The Assessor stated that her roof has now been repaired though Trustee Schuldt had asked that we get quotes before hand. The Assessor said that she had it fixed since it was leaking and she couldn't wait any longer. Discussion continued on several previously discussed items.
