At 9:19 P.M., Supervisor Sanders opened the Hearing for the Road District Fund Budget, Ordinance RU2014-04. She presented the Trustees with the Budget which totaled \$503,400.00. The Board talked at length about the Grant that the Road District received. It was noted that the item and amount wasn't in the Road District Budget. The Supervisor and Road Commissioner said the amount didn't have to be in the budget. Trustee Bulmahn said he was not comfortable with that amount of money being "off the books." The Township Attorney, Ron Roeser, said simply, "If it's not in the Budget, you can't spend it. You can only spend what you have in the Budget." A motion was made by Trustee Payson and seconded by Trustee Bulmahn to adopt the Road District Budget as corrected to include the \$225,000.00 Grant. This would increase the \$503,400.00 to \$728,400.00. Roll Call Vote: Trustees Payson, Bulmahn, Schuldt, Carlsen and Supervisor Sanders – ALL YES. Motion Carried.

At 9:48 P.M., Trustee Payson made a motion and Trustee Carlsen seconded to adjourn the Budget Hearing, and begin the regular Board Meeting. Voice Vote: ALL YES. Motion Carried.
